Ash Wednesday marks the beginning of Lent and is always 46 days before Easter Sunday. Lent is a 40-day season (not counting Sundays) marked by repentance, fasting, reflection, and ultimately celebration. The 40-day period represents Christ's time of temptation in the wilderness, where he fasted and where Satan tempted him. Lent asks believers to set aside a time each year for similar fasting, marking an intentional season of focus on Christ's life, ministry, sacrifice, and resurrection.

LENT

is like a long 'retreat' during which we can turn back into ourselves and listen to the voice of God, in order to defeat the temptations of the Evil One.

It is a period of spiritual 'combat' which we must experience alongside Jesus, not with pride and presumption, but using the arms of faith, prayer, listening to the word of God and penance.

In this way we will be able to celebrate Easter in truth, ready to renew the promises of our baptism.

Holy and Gracious God

We pray for the people of Ukraine and the people of Russia; for their countries and their leaders.

We pray for all those who are afraid; that your everlasting arms hold them in this time of great fear.

We pray for all those who have the power over life and death; that they will choose for all people life, and life in all its fullness.

We pray for those who choose war; that they will remember that you direct your people to turn our swords into ploughshares and seek for peace.

We pray for leaders on the world stage; that they are inspired by the wisdom and courage of Christ.

Above all, Lord, today we pray for peace for Ukraine.

And we ask this in the name of your blessed Son.

Lord have mercy.

Amen

WomansDay

Lent, particularly when it was adhered to more widely and strictly, marked a time to eat simpler food, and give up things like sweet, rich and dairy ingredients. The day before the season started was therefore the ideal time to make pancakes as a means to use up leftover eggs, milk and sugar
