Valentine's Day, the Feast of Saint Valentine, is celebrated annually on February 14. It originated as a Christian feast day honouring one or two early Christian martyrs named Saint Valentine but it's ultimately unclear how Valentine's Day became associated with the tradition of exchanging the affectionate gifts and love notes that we call valentines.

Love is patient,

love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.

~ 1 Corinthians 13

11th Our Lady of Lourdes

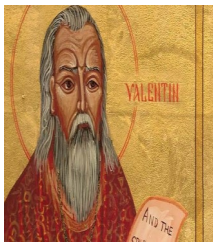

St. Gobnait Is one of the best loved saints in West Cork but only traditions concerning her life survive. The main part of her life was spent in Ballyvourney, Co. Cork where there has always been a deep devotion to her, and which is a place of pilgrimage on this day and on Pentecost. Her gifts of caring for and curing the sick have been a significant part of her cult through the centuries. Happily her memorial coincides with the World Day of the Sick.

14th Sts. Cyril & Methodius Cyril, a priest with missionary experience, and his brother Methodius, a monk, went to Moravia to preach the gospel in the Slav language. Cyril invented a Slavic alphabet, and, with the help of Methodius, translated the Gospels and certain liturgical works into Slavonic. They were

consecrated bishops in Rome but there on February 14th 869, Cyril died. Methodius returned to Moravia. During the last four years of his life, he completed the Slavonic translation of the Bible. On April 6, 885, he died, worn out by his apostolic labours and by the opposition of those who failed to understand his methods. Pope John Paul II declared them Patrons of Europe.

St Valentine was a Catholic Priest, who lived in Rome, in the 3rd century. St. Valentine is the Patron Saint of engaged couples, bee keepers, epilepsy, fainting, greetings, happy marriages, true and serious love and lovers' plague, travellers, and young people.

Monthly Prayer

We come to You Lord, as brothers and Sisters of a parish community.

We are fragile and we are not always in communion.

We need to be a community of communities that always puts people in the center, accepting what each one is and has.

Send your Spirit upon us so that we build a true Christian community born of shared faith, the fraternity lived and welcoming those most in need.

Help us, Father, to build spaces of lively participation, and communion imbued with a missionary spirit.

Give us the grace to be a parish community that evangelises and allow us to be evangelised by the poorest, as a sign that all love and hope are found in you. Amen.

Pope's Monthly Intention

Sometimes I think that we should put a sign on the door of parishes that says, "Free admission."

Parishes should be close-knit communities, without bureaucracy, people-centered — a place where the gift of the sacraments can be found.

They have to become once again schools of service and generosity, with their doors always open to those who are excluded. And to those included.
To all.

Parishes are not a club for the few, which give a certain kind of social belonging. Please, let us be daring. Let us all rethink the style of our parochial communities.

Let us pray that parishes, placing communion — communion of people, ecclesial communion — at the centre, may increasingly become communities of faith, of fraternity and of welcoming the most in need.
