preparations and efforts and know
we can celebrate the resurrection
with joy and faith."

SECOND SUNDAY OF LENT:

THE TRANSFIGURATION

Mount Tabor is 1800 feet above sea level and it is the place that most ancient scholars agree is the site of the Transfiguration. In the Synoptic Gospels the transfiguration follows Jesus questioning his disciples: "Who do you say that I am?" When he saw they were starting to get it, he revealed a deeper understanding of himself. He was going to suffer and die and after three days rise from the dead. So the condition for following him was they must be willing to lose their lives for his sake and the sake of the Gospel. Then six days after this hard teaching, Jesus takes his trusted threesome, Peter, James and John, to Mount Tabor and was transfigured before them. Having the Gospel of the Transfiguration so close to the beginning of Lent, points to the conclusion of the Lenten Journey — the celebration death and resurrection of Jesus. We do not have to pretend that Easter has not happened, but we are invited to grow in our faith understanding of this the most radical and fundamental of our Christian beliefs.
